

WELCOME TO FESTIVAL ‘26

WHĀNAU IN THE PRESENCE OF GOD

WELCOME TO NEW WINE 2026

WELCOME! KIA ORA!

Friends, now that you've arrived, take a moment to pause and breathe. Open your heart to all God longs to do. Trust that He is ready to do something new.

New Wine is about transformation. Jesus reminds us that "new wine must be poured into new wineskins" (Luke 5:38). The Holy Spirit continually calls us into renewal - shaking old routines and inviting fresh ways of living, loving, and believing. This is an ongoing, whole-of-life makeover, open to all God desires to pour in.

To live full, rich Kingdom lives, we need to be empowered and equipped. That's why this week's programme is filled with world-class teaching, vibrant worship, and spaces created for deep spiritual encounter - all carried by an expectation of God's transformative work.

We're excited this year to host a 24-7 Prayer Room, covering the festival and our nation with unceasing intercession. Sign up for as many time slots as you wish. Every prayer matters.

2025 was a year of transition for New Wine: new leadership, new ideas, new learnings, yet the same Spirit-shaped DNA continues to guide and sustain us. What a joy to step into this new season together - Whānau in the presence of God. Please reach out to our servant-hearted team if they can help in any way.

Mō te Atua koutou e manaaki i tēnei wiki.

May God bless you this week.

YOU'VE ARRIVED!

Here's a few of our top tips for New Wine success and survival.

1. Knowledge is power. Download the app.

2. Name tags and wristbands mean you're legit. Wear them at all times.

3. The site keeps getting better. Better site, better map, bigger programme. See over the page, or the app for programme details.

4. As a Wairarapa guest let's look after the school, protect the fields, and follow steward's instructions. Just like Jesus would.

5. Kids do well when they know their way 'round. Sign them in early at Preschool and Kids Zone. Thursday 3.30-4.30pm

6. Give a hand where you can. We're one big happy family.

WORKSHOPS

FRIDAY 11AM

HOW TO UNDERSTAND SUFFERING – BIBLICALLY
Colin Bloom
Venue: Workshop Room 1
What do we do when the world turns against us? The Bible invites us to see suffering through the lens of eternal hope. Nigerian Christians endure unspeakable violence and yet find courage, hope and joy in Jesus. The documentary "Faith in the Fire" captures their struggle, as the conversation turns to us: how should we cope with suffering?

FAITHFUL FINANCIAL STEWARDSHIP
Peter Crawford
Venue: Workshop Room 2
Faithful financial stewardship is much more than having a budget or tithing. This workshop touches on what the Bible says about God's ownership of everything, our role as stewards of what he has given us, debt, seeking counsel, honesty, work, generosity, saving and investing, and finding true contentment.

ONE TABLE, MANY STORIES: HOW WE JOURNEY DIFFERENCE
Becs Conolly
Venue: Workshop Room 3
Our church is full of different stories, voices, and convictions. How do we stay together when we disagree? At this workshop we'll explore how to hold tension, listen well, and practise love, asking: how can we remain one table with many stories without losing our faith or each other?

KINGDOM AUTHORITY
Kolinio & Ruth Tuiraviravi
Venue: Workshop Room 4
Genesis 1:28 - God the Father, Son and Holy Spirit were present from the beginning. They gave us our original and never-changing commission - rule, reign and multiply both spiritual and physically the intimate relationship we have with Him.

SPIRITUAL GIFTS FOR MINISTRY AND MISSION
Greg Trainor
Venue: Workshop Room 5
Jesus promised to send the Holy Spirit to empower us to be his witnesses. He also gives spiritual gifts to strengthen and encourage the people of God to do the works of ministry. This workshop will unpack the supernatural gifts of the Holy Spirit that Paul lists in 1 Corinthians 12 and how we can grow in these gifts to become more effective in ministry and in Jesus' mission to the world.

MORE THAN MUSIC: ELEVATING THE SPIRITUAL VALUE OF SUNG WORSHIP
Grant Norsworthy
Venue: Workshop Room 6
Whenever Christians gather, we sing. But do we know why? If we can agree on the purpose of worship through music, we can pursue it with greater clarity, unity and effectiveness. Join Grant to rediscover God's intention for sung worship - and how it can truly glorify Him and transform us.

THANKS SUPPORTERS!
THURSDAY 8.45PM
NETWORK LOUNGE

Are you a New Wine financial or prayer supporter? The summer festival is the one time in a year we can gather you and say thanks for your support and passion for the ministry. The New Wine trustees and staff would love to do just that over a spot of hospitality on the first evening. RSVP by texting SUPPORT with your name to 021 155 6197.

KEI TŌ TAHA

Our newly renamed zone continues the heart of the former Our Place space. Kei Tō Taha (On Your Side) is here to support those with additional needs, helping them access and enjoy as much of the festival as possible in a calm, caring environment. Our team serving in Kei Tō Taha are wearing the purple t-shirts. Please reach out for assistance, that's what they're here for.

Workshops are about wrestling with real stuff, sharing experience and learning together. They are the cutting edge of New Wine's heart to equip the local church.

WORKSHOPS

FRIDAY 3PM

A TALE OF TWO REVIVALS
Scottie Reeve

Venue: Workshop Room 1

Reports such as CMS UK's Quiet Revival suggest a surprising shift in the West: beneath the surface, millions are quietly returning to Christ. The harvest is plentiful. Yet alongside this, another tide is rising: a nostalgia for cultural Christianity, as authoritarian and nationalist movements gain power and begin to wrap themselves in Christian language and symbols. This workshop calls participants to holy discernment - learning to recognise Christ's authentic work, rooted in humility, hospitality, and transformation, while resisting the seductive pull of Christendom's political power.

WE LOVE - BECAUSE HE FIRST LOVED US
Kate Rodwell

Venue: Workshop Room 2

Exploring how spending time with God transforms us, impacts our choices, priorities and goals.
Examples and stories from the Scriptures and the field demonstrate that our availability is more critical than our ability. How can we be His hands and feet in 2026, reflecting His love to those in need?

BIG IDEAS IN THE GOSPEL OF LUKE
Sarah Harris

Venue: Workshop Room 3

This workshop will explore the big ideas Luke presents in his Gospel narrative. We'll discuss some of the characters whose courage and strength will likely challenge our own journey of faith.

ALL CAN PROPHESY
Kolinio & Ruth Tuiraviravi

Venue: Workshop Room 4

1 Corinthians 14:1 - we are all to eagerly desire the gift of prophecy as this is what brings the Kingdom of Heaven to earth. The Father desires to manifest his love in our communities and needs us to be empowered by the Holy Spirit and be Christ where we work, play and fellowship.

RAISING OUR CHILDREN THROUGH A HOMESCHOOLING LIFESTYLE
Sheena Harris

Venue: Workshop Room 5

Sheena will unpack the why and how of homeschooling in NZ. Homeschooling is a parental choice, offering the freedom to teach with faith, values and fun. Gain confidence to start well as Sheena guides you through the Ministry of Education exemption process and shares the beauty of nurturing passionate learners and disciples of Christ.

FROM SLAMMIN' TO SINGABLE: MAKING BIG SONGS WORK IN SMALL CHURCHES
Grant Norsworthy

Venue: Meeting Place

We love the big songs from big churches - but how can smaller congregations with volunteer musicians make them work? Instead of chasing smoke, lights and backing tracks, explore musical principles that make songs more singable and sung worship more engaging. Practical, simple changes - demonstrated live - can transform your team and your congregation's level of participation.

8.30PM DAILY SAUSAGE SIZZLE

The Event Courtyard

After a busy day of programme, free time, learning, laughter there's nothing quite as good as a sausage sizzle for free, while enjoying a late night chat or movie.

John 3:16 Coffee 2 Go

Great coffee, homemade treats, with a Christ-centered community. Experience coffee with a purpose!

HOPE Kitchen CAFE

Back this time with real fruit ice-cream. You're welcome!

New Wine is about ordinary Christians being released and empowered in extra-ordinary ways. Go deeper by getting to workshops!

WORKSHOPS

SATURDAY 11AM

PACK HEAVEN, PLUNDER HELL: LEARN TO SHARE THE FAITH WHILE IT IS DAY

Simon Bate

Venue: Workshop Room 1

Life is short - tomorrow as we know it isn't certain. Believers are promised the best retirement which transcends time; unbelievers face eternal, unimaginable torment we'd never wish on anyone. Join us to learn simple, powerful ways to share your faith - heed the call, pack heaven, plunder hell, while there is still time.

LIVING BY DESIGN

Peter Crawford

Venue: Workshop Room 2

This workshop explores what the Bible has to say about work and tools for finding a career that we enjoy. Topics covered include; why we work, what is our purpose in work, why God cares about our work, and good career decision making.

FAMILY - LET'S LEARN AND GROW TOGETHER

Tama & Miriam Bucknell

Venue: Workshop Room 3

Join Tama and Miriam for an encouraging, interactive workshop on family. Through stories, practical tips, participant kōrero, and nods to the Circle of Mana, we'll explore how to strengthen connection and support one another. We're not experts, just creating space to learn and grow together.

PART 1: "TE ARA O TE RONGOPAI" THE PATH OF THE GOOD NEWS

Kereama Huff

Venue: Workshop Room 4

This workshop traces the story of the gospel's impact in Aotearoa - from pre-European times to the present. We'll explore how God's presence has been revealed through vision, prophecy, and people, consider key events and reflections on land, loss, and love for Jesus, and look forward with hope through shared kōrero and discussion.

FAITH IN THE FIRE

Colin Bloom

Venue: Workshop Room 5

Jesus said, 'in this world you will have trouble'. For almost 400 million Christians, this takes the form of violent persecution. For Western Christians to create effective change, Colin presents how to challenge the weak orthodoxy of churches who are so culturally sensitive, that they have failed their brothers and sisters.

THE PRESENCE & THE WORSHIP OF GOD: REALIGNING BELIEF, LANGUAGE AND PRACTICE

Grant Norsworthy

Venue: Workshop Room 6

We use the same words - "worship," "presence," "Holy Spirit" - but often mean very different things. Grant shares personal stories and biblical insight that invite deeper understanding and unity. Discover a clearer, richer vision for God's presence among His people and what true worship looks like today.

OFFERING

SATURDAY EVENING & SUNDAY MORNING

God is moving through the nation in different ways, and with different people. Ask youth. They know. Ask the unchurched. They feel Him stirring. New Wine has work to do, and we do that through your generous support. It's a time of change, in many ways, but today is the day to press in and not hold back. This is God's ministry, and with New Wine alongside the church we will bring in the harvest. Our aspirations are bigger than our resources but God's provision comes through your generosity.

newwine.org.nz/give

An offering will be taken on Saturday evening & Sunday morning. Prayerfully consider how you can help to build this work. If you miss the offering you can give at any time in the admin office or online.

WORKSHOPS

SATURDAY 3PM

FOLLOWING JESUS PEACEFULLY
Chris Marshall & Chris Kirby

Venue: Workshop Room 1

We live in an age of deepening political polarisation, growing international instability and the increasing normalisation of violence to achieve political ends. The recent emergence of "Christian nationalism" shows how frighteningly easy it is for Christians to be swept along by coercive political agendas and lose touch with the emphatically non-violent message and strategy of Jesus – which this workshop will explore.

EVANGELISM 101
Catalyst Movement

Venue: Workshop Room 2

Our heart is to release people to go and make disciples wherever God has called them. In this workshop, you'll hear testimonies from around the nation and gain tools to joyfully share the Gospel and your testimony as you go - whether in your community, across the street, or across the world!

THE URGENT NEED TO PLANT MORE CHURCHES
Scottie Reeve

Venue: Workshop Room 3

As spiritual hunger grows across the West, the need for new communities of faith - where people are known, discipled, and formed in the way of Jesus has never been greater. Yet church leadership in the West is in decline. Drawing on experience training church planters across Aotearoa, this workshop offers a fresh, sustainable vision for church planting: nimble, contextual, and accessible to everyday Christians. Together we'll explore practices that lower barriers to leadership and cultivate new worshipping communities for our time.

CHRISTLIKE LOVE AND CHARACTER
Kolinio & Ruth Tuiraviravi

Venue: Workshop Room 4

Matthew 22:37 - The greatest commandment and the one closest to our Father's heart; the motive and action behind our commission in Matthew 28: 18. Our biggest challenge; do we carry the Father's heart? Do we love our communities above all else.

LIFT HIGH HIS BANNER – FLAG FLYING
Joy Mylek

Venue: Meeting Place

Starting with a brief introduction to the biblical background of flags and banners, and the meaning of different colours and motifs. Most of the workshop will be practical, learning flags' basic movements, and using current worship songs to practice flag flying freedom in worship.

KIDS ZONE PRESENTS: HOW DO YOU HEAR FROM GOD?

Venue: Kids Zone

An opportunity for anyone curious about what the tamariki are learning about in Kids Zone this year to join us in exploring our space. Bring along your kids or just yourselves. Let's explore the space station and start some deeper conversations that can continue to grow into the year.

SUNDAY 3PM

Simon Bate

Venue: Workshop Room 1

SEEDS OF CHANGE: ECO CHURCH STORIES FROM AROUND THE MOTU
Anna Baird & Steve Thawley
