

NEW WINE LEADERS DAY

Friday 3rd October, 9.30 am - 4.00 pm
Church of the Saviour, Blockhouse Bay, 2 Heaphy Street, Auckland

Come to connect, receive and refuel.

New Wine exists to equip churches in seeing Jesus' kingdom grow and does this through leadership events, conferences and networks. New Wine operates in 14 countries.

On Friday 3rd October we are offering a leaders ministry day at Church of the Saviour, Blockhouse Bay, to refresh and encourage. Bruce Collins and Ewen Souter, from New Wine International, have strong prophetic ministries and are widely recognised internationally for the impact they have, specifically in the ministries of healing and prophecy.

Please feel free to invite other church leaders, staff and emerging leaders.

EWEN SOUTER

Ewen is leader of St. John's Anglican Church in Horsham. He is excited about Kingdom ministry and loves seeing every member of the local church recognise and pursue their God-given role in the extension of God's kingdom in their home, work-place, community and church.

BRUCE COLLINS

Bruce oversees New Wine International and has considerable experience in training leaders and others in the gifts and power of the Holy Spirit. He has a particular passion in the areas of healing, deliverance and prophecy and is a regular speaker at conferences around the world.
